Dear Clem

In looking through my files for something else I came across the enclosed pair of photos ~~which were~~ from long ago. I have no idea where ~~I got them~~ I got them. They are apparently a collection of counterfeit half pence which are brokage or double struck. The ~~same~~ ^{turned over} same coin is shown ⁱⁿ the same position on each plate.

I hope you enjoy this.

I ~~am~~ have not forgotten you ~~and~~ hope that I picture my collection of counterfeit halfpence.

My best to you,
